

La Solare

La Solare is the culmination of a series of cutting-edge technological advances, designed to enhance one of the most important rituals of the day: the coffee break.

With La Solare, you can offer customers beverages that combine the flavour of freshly ground coffee beans with the creaminess of fresh milk.

It's the perfect machine for all kinds of locations, from cafés to pastry shops; in retail or in hospitality.

FEATURES

- Sleek lines, aluminium profiles, LED-lit dispensing area, and stainless-steel components for a sophisticated design.
- User-friendly 7-inch touchscreen for seamless drink selection and customization.
- Z4000 iX brewing group with a heated stainless-steel chamber for precise temperature control and consistent drink quality.
- Touchscreen-controlled foam adjustment for perfectly tailored milk-based beverages.
- Automated cleaning cycles, no need to disassemble frother parts, ensuring hassle-free maintenance.
